

IS God NUMBER ONE IN YOUR LIFE?

You know He must be first in all things, there is never a situation that God does not take first place.

And with Him being in first and completely deserving it we must do all we can to keep Him in His honored position. Many people say that they would die for Jesus, but too many have trouble living for Him.

Matthew 6:33 -

Seek ye first the kingdom of God and His righteousness and all these things will be added unto you.

Take this little test concerning God's position in your life.

**"If you want to do something you will find a way,
if you do not you will find an excuse."**

Jesus died for you and I and yet we do not give Him the first position or do we give Him the value that He deserves.

God wants to save us, love us, heal us and deliver us but we do not give Him access or authority in our lives to work with us.

We want Him to take care of us in all things but we choose to put Him way down on our priority list.

Exo 20:3 Thou shalt have no other gods before me.

Anything more important than God can become an idol and another God in our life.

Today is the day, give God first place in your life so you can walk and live in His goodness every day of your life.

Do it now put Him first.
