

TRUST and OBEY!

from the old hymn:

*"Trust and obey for there is no other way
to be happy in Jesus but to trust and obey"*

We are living in perilous times; hurricanes, volcanoes and earthquakes are headline news for the past month.

What are we to do? How do we handle situations that are out of our control?

We must trust God that He will bring us through the storms of life. There is no one exempt from trials, temptations and attacks of the enemy; that come to take us out.

"God is our refuge and strength, a very present help in trouble" Psalm 46:1 (kjv)

From Webster's 1828 dictionary "trust" is defined, *confidence, reliance or resting of mind on the integrity, justices, friendship or other sound principle of another person.*

We can trust God 100% to keep and help us. When He gives us a word of direction or wisdom we must trust Him, as the awesome Father that He is. We must obey what He says to do in order to walk through our situations. Obedience means we do exactly what God says, not taking away from or adding to His instructions.

1 Samuel 15:22b "Behold, to obey is better than sacrifice."
