

LET GO, LET GOD!

The hour for the church to stand and be the church is at hand. To be the salt and light, to be the voice of God on the earth. To let the earth SEE the awesomeness of our God. To let His Glory come forth as He sees fit. To embrace all that God is without reservation and without restriction. Gross darkness fills the earth (Isaiah 60:1) The time for harvest is now. The fields are white with harvest, it is time for the laborers to go forth. But the time requires that we let go of all that we think we can do and **LET God DO WHAT HE WANTS TO DO!**

To be part of this “now” move of God that is breaking forth there must be some preparation and positioning taking place in our lives. Just as Queen Esther spent one year in preparation before being brought before the King, the Holy Spirit is preparing **the believer** for “such a time as this”.

Believers everywhere are hungry for more of God. The “status quo” just doesn’t cut it anymore. Prayers and intercession are going forth crying and calling out for God to move. We must let go of all mindsets, pre-conceived ideas, ideologies, and knowledge that goes against the Word of God.

Stop living in the comfort zone, the safety place, the non-committal place. Kick the door open so to speak and embrace with the whole heart, God's move. He wants to use each of us to bring in the harvest and to fulfill our destiny in God. **We are called by God for this hour and nothing more or nothing less will suffice but full cooperation.**

What is this end time move of God all about? The world is looking for something, something spiritual. Unfortunately they are looking in the wrong places and embracing all the wrong things. This move is definitely spiritual, because it is the glory of God, from God Himself, manifesting His presence in our presence. WOW, how much more could we ask for then God showing up and showing out.

PREPARATION

Just to think that God wants to use you and me to bring souls into the Kingdom of God is a wonderful and awesome thing. His heart cry is that not ONE would be lost. This is why Jesus died and paid the price so that all mankind could be saved. But in the middle of such a glorious plan and move there is resistance to what God is doing. I repeat there is a resistance to what God is doing. And it is not the devil that is doing the resisting. Unfortunately YOU AND I could be a GLORY RESISTOR. We must prepare our hearts, minds and lives to receive God's Glory. We MUST prepare by changing anything and everything that is not lined up with God in our lives. Identify, clarify, throw out what does not meet with God's criteria, plan and purpose.

POSITION OURSELVES

What in our lives could possibly resist, block, or stop this unmistakable manifestation of God's glory? Are we the ones? Is there resistance, hindrance in us? Two major reasons YOU AND I could be the problem. One, I have never seen this before and I don't understand how God could cause people to act like that. Two, I like how we do things now and I am not moving from my tradition. Now grant you both of these actions tell God, “God I am rebelling against YOU and against what YOU are doing. How dare you come down to earth in manifestation and not let me know and understand what you are doing, when you will do it and in what service you will show up. We have a schedule to meet, there are programs in place and at all costs we must keep the order of the service. These unprecedented showings of your

Glory just do not fit with the way we do things. I just am not sure we can work all this stuff out.

What a conversation, and what a position of utter dis-reverence to our God and Father and to the Son and Holy Spirit. Who do we think we are to tell God that He must adhere to our schedule, our ways of doing things, and He can only do certain things at certain times. And oh yea, this stuff we have never seen or ever heard of before, must be pre-approved by the **“The Committee”** before anything can be permitted in the service. You know it is no wonder that God cannot work in our midst when we take this kind of attitude and pompous position. Even the Apostle Paul said, brethren I have not arrived but I am **PRESSING** toward the prize, the mark of the high calling. Just what is this high calling and if there is a high calling there must be a low calling. To be in the perfect will of God, receiving everything that God is doing and yearning with our total being, to be a part of His Glory being manifested.

We need to position ourselves as close to the Glory as we can possible get. There is an old church saying, that we need to get under the spout where the Glory comes out.” Truer words were never spoken. The river of God is flowing, **“JUMP IN THE RIVER”**.

How ever God wants to manifest HIS GLORY we need to get there and get in.

God loves us so much that He wants to come down onto the earth in **“MANIFESTED GLORY”** and bless, heal, deliver, save, set free, without any activity on our part, except to receive. God wants to do this for us because of His great love, mercy and grace. Yet we want to qualify what God does like He has to answer to us for His actions. To even think that this attitude and subsequent action exists on the earth makes me wonder about our love for God, and the whole basis of our relationship with Him.

Now do not shut this message down before you read it all. NO, not everyone is like this, many have and are celebrating and enjoying God's Glory. However, for the Glory to be of benefit, we must ask, do we have any resistance, in our hearts or minds? If there is, we go to God and repent, receiving the cleansing of our heart and minds, then turning towards the Glory of God. God is not against us. Do we understand all things, no, but God is able to do exceedingly abundantly above all that we can ask or think and do it without consulting us. Yes He will tell His prophets, He always has.

Why is the Glory needed, is not the anointing that is in us enough? Let me interject this for your contemplation. Time is short, God is accelerating His manifestations in the earth. The bottom line is to see the world saved and worshipping God. The Glory of God will cause demonstrations that the anointing cannot do at the same speed. In the Glory, God works without using the anointing in man. Therefore, we do not hinder the Glory flowing from God's manifested presence.

Is everyone excited and lining up to take the plunge along with us? No, but we're headed for the goal, for the prize of the high calling set before us, part of that call is to embrace His Glory on this earth.

When we got saved we surrendered ourselves to God and we said, God you are in charge of my life, do with me as you will. Well now He is doing what He wills and some of us wonder, question, backup, and ultimately resist His moving.

God loves you, we love you and only want to see God's fullness manifested in your life, in the form of blessing, healing, deliverance, joy, peace, loved ones all saved, families restored and any such thing you have need of . . . all freely available in the Glory of our Lord and Savior, our soon coming King.

It is time to really examine our lives and see if we can truly . .

LET GO AND LET God!
